### Please read and sign the safety rules below

<ol style="list-style-type: none"><li>Airguns must be UNLOADED at all times. The only exception is when addressing a designated target at the appointed lane.</li><li>NEVER load an air rifle before entering the lane or Zero Range, and never shoot over a person who may be on the lane or zero range.</li><li>Multi shot air guns must have the magazine REMOVED when walking around, the only time they may be used is when shooting from a designated sooting lane or ont he zero range.</li><li>Always point your air gun to the sky, or the ground, when walking round. NEVER point your gun at, or near someone.</li><li>If you hear a whistle, STOP shooting immediately. If you have loaded then expire the pellet in to the ground immediately near you. Two blasts on the whistle means all clear and safe to carry on.</li><li>The boundary linaes are bordered by ropes/tapes. NEVER cross these lines.</li></ol>	<ol style="list-style-type: none"><li>We like to see junior familt members bear in mind it is your responsibility to ensure SAFE practice.</li><li>These rules are common sense but we have to make sure you fully understand them by signing below.</li><li>I confirm that under section 21 of the Firearms Act I am allowed to posses an air weapon.</li></ol>
Signed _____	Date / /
As fully paid up members we are all expected to volunteer at putting out/or bringing in targets. No-one is paid, but this is a nice way to help the club and meet and socialse with other members.
